Dear Mr. Bley,

Based on the documentation our office received on February 17, and March 8, 2010, Violations 1 and 2 cited during the waste compliance inspection referenced above are considered corrected.

Please be aware that a report of this inspection is submitted to the Bureau of Waste Management (BWM) in Topeka for review. Each report is reviewed and an evaluation is made to determine if additional enforcement is warranted. A penalty may be issued by BWM for violations identified during the inspection.

Your cooperation with the hazardous waste management program is appreciated. If you have questions concerning this letter, please call me at the South Central District Office at 316-337-6038.

Sincerely,

Joseph Mitchell
